

Short Story Plot Template

Self-Contained Incident

One shattering moment.

Plot Synopsis

Jot down a few lines detailing your story.

Characters (2-5)

1. Just a few lines describing what you need to know about each character. If you need to flesh them out do so in a character sheet for that individual.
2. Just a few lines describing what you need to know about each character. If you need to flesh them out do so in a character sheet for that individual.
3. Just a few lines describing what you need to know about each character. If you need to flesh them out do so in a character sheet for that individual.
4. Just a few lines describing what you need to know about each character. If you need to flesh them out do so in a character sheet for that individual.
5. Just a few lines describing what you need to know about each character. If you need to flesh them out do so in a character sheet for that individual.

Beginning (25%)

How does your short story begin.

Middle (50%)
